February 24, 2020

Subject: Product Discontinuance- NPT1010B and NPT1015B

PCN #: PCN-01323

Dear Valued Customer:

In accordance with MACOM Technology Solutions' customer product discontinuance policy, this communication is to inform you that MACOM Technology Solutions is discontinuing the part numbers listed below. You are receiving this notification because you have purchased one or more of the following part numbers in the past two years.

NPT1010B
NPT1015B

A last time buy opportunity is being offered. However, inventory is limited and will be available on a first come, first serve basis. Last time buy orders must be placed by August 24, 2020 with delivery taken by February 24, 2021.

Please contact your local sales representative or MACOM sales manager if you have any questions or require additional information.

Sincerely,

Greg French
Product Marketing Director
