

DESIGN/PROCESS CHANGE NOTIFICATION

This is to inform you that a change is being made to the following products.

This is a minor change that has no impact on product quality, reliability, electrical or mechanical performance. Affected products will remain fully compliant to all published specifications. Notification is being made for informational purposes only and there is no approval required. Products incorporating this change may be shipped interchangeably with existing unchanged products.

Please contact your local Customer Quality Engineer if you have any questions regarding this notification. Alternatively, you may send an email request for information to PCNSupport@fairchildsemi.com.

Implementation of change:

Expected First Shipment Date for Changed Product : Jan. 10, 2014

Expected First Date Code of Changed Product :1402

Description of Change (From) :

FDY302NZ: The Device Marking on the physical device is designated as C, and the Device Marking on the datasheet is listed as E.

Description of Change (To) :

Update the Device Marking on the physical device as well as the datasheet to F.

Reason for Change:

Align the Device Marking for device FDY302NZ for both the physical device and it's final datasheet.

Affected Product(s): Please refer to the list of affected products in the addendum attached in the PCN email you received. This list is based on an analysis of your company's procurement history.
