---

Description of Change: Packaging reel width change

---

CTS Product Series: 220AMA..., See Part Listing above

---

Reason for Change: 1. To unify the reel width of 220AMA as 220AMB, 220AMC.  
 2. The change reel width will be fit for existing automation packaging machine and enhance capacity efficiency.

---

Implementation Date: Shipments with new width reel will start from 18 Oct. 2021.

---

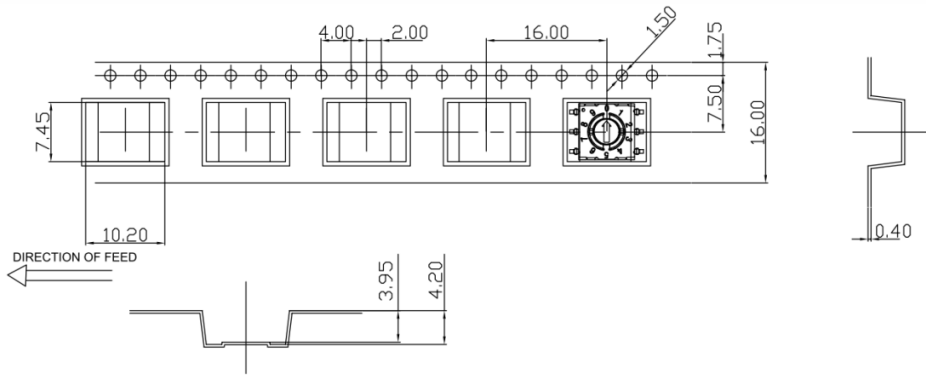

Notes: 1. Changes are only for packing reel dimension and will not change the fit, form or function of the 220AMA Switch.  
 2. Comparisons of the reel dimension can be seen in Figure 1.

---

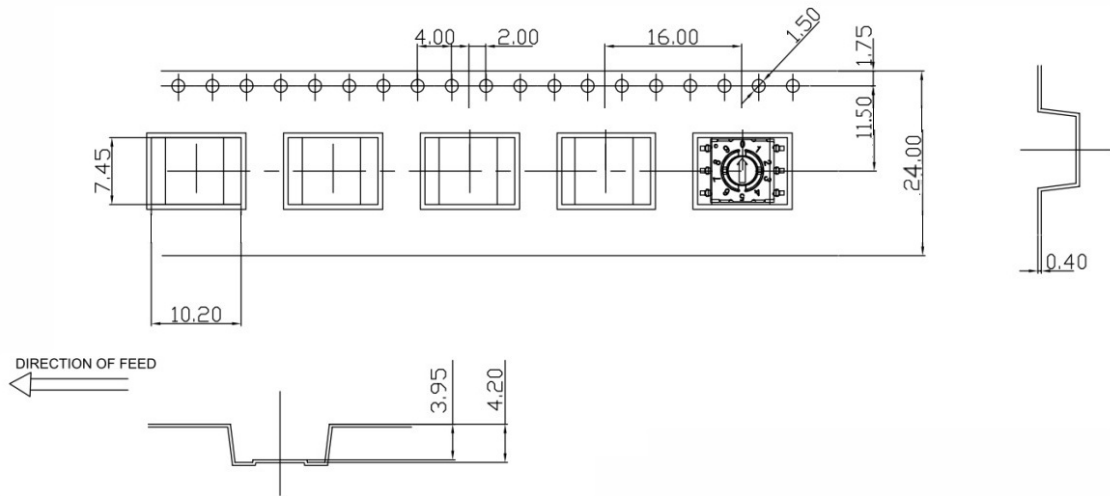

CTS thanks you in advance for your business and support in this matter, and we look forward to the continued service of our customers. Should there be any questions or requests for information about this notification, please reach out.
