1 Affected Products

Product in End-of-Life	Successor Product	Remarks
UBX-G6010-NT-B7300CF (Single Package)	N/A	Please consult u-blox technical support for migration to the latest u-blox 8 / M8 chip, or u-blox 8 /M8 EVA and ZOE SiP (System in Package) solution.

2 Reason for discontinuation

The foundry has announced the discontinuation of the process line for manufacturing the UBX-G6010-NT-B7300CF chip.

Important: u-blox has no further plan to discontinue other u-blox 6 single package chips (i.e. all variants of UBX-G6010-ST and UBX-G6010-SA products) in near future.

3 Recommendation

It is recommended that UBX-G6010-NT customers migrate to the latest u-blox 8 / M8 chip or miniature EVA / ZOE SiP (System in Package) products. The u-blox 8 / M8 platforms use the latest advanced GNSS technology and offer an improved performance and more versatile product portfolio compared with the legacy UBX-G6010-NT. Please consult u-blox's support team for more migration-related information.

4 Schedule

End-of-Life Announcement Date	20 December 2017
Last Time Buy Date¹	31 May 2018
Last Ship Date¹	31 December 2018
