Issue: Contents about changing carrier tape pocket dimension for PMR10 EZP series.

We hereby to request in change of pocket dimension of the top tape.
 Please check with the changes written in the table below and confirm.

—Note—

Application	Product Name: Ultra low ohmic surface mount chip resistor for current detection (2.0 × 1.2mm size)	Part Number: PMR10 EZP series		
Items Changed	Appearance			Pocket size reduction
	Present type	2.40 +0.20/-0.10 (mm)	After modification	2.30 +0.20/-0.10 (mm)
	A0	1.60 +0.20/-0.10 (mm)	B0	1.45 +0.20/-0.10 (mm)
Purpose of Change	Reduce the possibility of mounting inferior. (Chip θ inferior, Chip recognition inferior)			
Time of Change	Running change from 1.October.2014.
